## National Volunteer Week - SEA Airport Volunteer Program

Seattle-Tacoma International Airport (SEA) is the first and last impression of our region for the traveling public. Our community of volunteers are invaluable ambassadors for both the airport and the Puget Sound region. Located at key information desks throughout the airport, volunteers focus on elevating the travel experience for SEA's travelers. Whether providing directions to rideshares, looking up gate information on the FlySEA App, making dining suggestions, or providing tourist recommendations – SEA volunteers are invaluable members of the SEA Customer Service team and airport community.
